Introduction

Centa-a-Cause

Centa Cause is a Community-Driven Charity and Community platform where we will be contributing towards the welfare of the children. Our main focus will be to provide Food & Education to the needy children from the rural areas across the Globe. Our Centa will be there 365 days to spread happiness and bring smiles to the faces of the children.

As we will be the community driven charity program, so our community members will have the voting rights to decide where we should donate our charity funds.

We will be donating the charity funds on quarterly basis which we will start from 25th December 2021 and will

continue. We will share all the charity details with our community so that there will be a transparency of charity funds.

Our Plan is to expand our community across the Globe so that we can help the children as much as possible because children are the future of the society where they can make this world a happy place to live.

Why we choose Santa Claus our Mascot?

Santa Claus is very close to children, and he loves to bring smiles to their faces by surprising them, so we decided let's be a Centa who will always be there 365 Days for them whenever or wherever they will be a need.

Centa's Commitment - Whenever, Wherever & Forever

Values

Transparency

To show our first commitment, there will be no private sale or special allocation to the team members during the public sale. All member will go through the whitelisting process just like every other member of the community. 70% generated from the public sale will go for the liquidity and locked, while the remaining 30% will be used for Marketing purposes so that our project ensures our growth rapidly.

Charity

Centa Cause is a Community Driven Charity Platform where we will be contributing 3% of each transaction to the children welfare across the Globe.

Unity

Centa is a cryptocurrency token from the community platform which will unite all of us for a noble cause.

Community

Centa Cause is a Community Driven Project. As Such, the wish of the community will be carried out through a well-organized community voting.
