How to buy 'CENTA' coin on PancakeSwap?

Metamask

1. Download Metamask wallet
(<https://metamask.io/download.html>) on
your phone or Browser (Chrome or
Firefox)

2. Add 'Binance Smart Chain' Network to your Metamask Wallet
(<https://www.binance.com/en/blog/all/get-started-on-binance-smart-chain-in-60-seconds-421499824684901055>)
3. Send Some BNB Coins to your Metamask Wallet from your Centralized Exchange
4. Go to PancakeSwap Exchange
<https://pancakeswap.finance/>
(PancakeSwap is where you will be performing the swap of your current tokens)
5. On the PancakeSwap Click on Connect Wallet at the right-hand corner

of the screen which will connect your Metamask wallet to PancakeSwap

6. Now click on Trade on the left corner and select Exchange
7. Click on 'Select a Currency' type CENTA or Paste this Address -
0x1286246E94206657496A13a20364226
ee497d7Ec and add the token
8. Click on settings and set the Slippage Tolerance 12%
9. Enter the BNB token u want to swap against Centa Coins
10. Click on swap and then confirm swap to make the purchase.

Trust Wallet

1. Download Trust Wallet from App Store/Play Store
2. Create your wallet
3. Send BNB to your Trust wallet from your Centralized Exchange
4. Click on DApps
5. Select PancakeSwap from Popular or Exchanges Section
6. Click on Connect Wallet at the right corner and then select Trust Wallet to connect your Trust Wallet
7. Click on 'Select a Currency' type CENTA or Paste this Address -
0x1286246E94206657496A13a20364226
ee497d7Ec and add the token

8. Enter the BNB token u want to swap against Centa Coins
9. Click on swap and then confirm swap to make the purchase.
